The Committee would like to interview the following individuals. Whether or not any of these individuals had any relationship with the CIA, they may believe that actions they have taken were at the direction of responsible persons in the Central Intelligence Agency. Accordingly, in order for the Select Committee to obtain truthful statements and ultimately testimony from these individuals, it would be most useful for the Committee to have a letter from your office releasing these persons of any obligations of secrecy they may have made to the CIA, or to anyone whom these individuals may believe was affiliated with the CIA:

In addition, we request the last known addresses of the above individuals.

Finally, the Committee requests access to all briefing papers, briefing books, and/or memoranda prepared after the Bay of Pigs invasion, concerning the events surrounding the invasion, and given to Presidents Johnson, Nixon, Ford and/or Carter.

Thank you for your continued cooperation.

Sincerely,

G. Robert Blakey
Chief Counsel and Director
